TIME TESTS THE MERITS OF ALL
THINGS.
1840 For Over Thirty Years. 1873.
PERRY DAVIS' PAIN-KILLER
Has been tested in every variety of climate, and
by almost every nation known to commerce.
It is the constant companion and inestimable
friend of the missionary and the traveler, on
the sea or land, and no one should travel on our
lakes or rivers, without it.
Since the Pain-Killer was first introduced,
and met with such extensive sale, many Lin-
iments, Balm, and other Remedies,
have been offered to the public, but not one of
them has attained the truly enviable standing
of the Pain-Killer.
It is because Davis' Pain-Killer is what it
claims to be, a Believer in Pain. Its merits are
unsurpassed.
If you are suffering from internal pain, twenty
drops of this little water will almost
instantly cure you. There is nothing to equal it
for Colic, Cramps, Spasms, Heart-burn, Dia-
rrhoea, Dysentery, Piles, Wind in the Bowels,
Sour stomach, Dyspepsia, Sick Headache, etc.
In sections of the country where
FEVER AND AGUE
Prevails, there is no remedy held in greater es-
teem. Persons traveling should keep it by
them. A few drops, in water, will prevent ac-
cess or lessen troubles from change of water.
From foreign countries the calls for Pain-
Killer are great. It is found to cure Cholera
when all other remedies fail.
When used externally, as a liniment, nothing
gives quicker ease in burns, cuts, bruises,
sprains, stings from insects, and scalds. It
relieves the fire, and the wound heals like ordi-
nary sores. Those suffering with Rheumatism,
Gout or Neuralgia, if not a positive cure, they
find the Pain-Killer gives them relief when no
other remedy will.
It gives instant relief from aching teeth.
Every housekeeper should keep it at hand,
and apply it on the first attack of any pain. It
will give satisfactory relief, and save hours of
suffering.
Do not trifle with yourselves by testing un-
tried remedies. Be sure you call for and get the
genuine Pain-Killer, as many worthless nos-
trums are attempted to be sold on the great
reputation of this valuable medicine.
Directions accompany each bottle.
Price 25 cents, 50 cents, and \$1 per bottle.

STATE NEWS.
FATAL ACCIDENT.—The Montpelier Free-
man says: Mr. Emerson who lived a short
distance from the Depot village, Northfield,
between there and Harlow bridge, met with a
fatal accident on Saturday afternoon. A
steer belonging to him got upon the rail-
road track, and Mr. Emerson went to drive
him off. While upon the track he made a
mistake, and fell some sixteen feet down the
embankment. A woman who saw him fall,
went to him and heard him speak once or
twice. A doctor was immediately sent for,
but Mr. Emerson died about the time of his
arrival.
Addison County.
Bears are prowling around the hills in
Granville and Hancock. Sheep owners
stand in fear of their depredations, as they
are very bold, and some think their flocks
have already suffered from them.
Bennington County.
Sheriff Croft has offered a reward of
\$175 for the capture of Lucas, Covey and
Barrett, who would have been tried at the
June term for robbery, murder and rape;
but inasmuch as the former reward for Lau-
cus's apprehension in early winter is yet
unpaid, nobody seems inclined "to go for
them." Croft even declines to repair the jail.
Caledonia County.
Col. Frank Walker, foreman of Fair-
banks' foundry, St. Johnsbury, has been in
the company's service for twenty-five
years.
William Warden, of Barnet, recently
found the horn of an elk (Moose deer),
more than two feet in length, embedded six
inches under mud, over which were nine
feet of muck. The ends of the branches
have been broken off, but the horn is quite
sound. Under the muck were found coals,
showing that fires have been built there,
with signs that the location may have once
been occupied by Indians, and tradition as-
serts that they had encampments near this
locality.
Essex County.
A bear weighing 410 pounds was recently
killed in Victory.

The Messrs. Scott have remodelled and
refurnished the Franklin House and cottage
—five in number—at Highgate Springs,
and will throw the same open to the public

pleasure seeking public. The mineral

Samuel Lodge, St. Thomas, P. Q., has a
